EUROFIA Resolution against the threats received by the Actors' Union of Madrid, Spain

Zurich, Switzerland, May 27, 2006

The European Group of the International Federation of Actors (FIA), meeting in Zurich on May 26 and 27, 2006, wishes to express its concerns about the threats received by the Actors' Union in Madrid, as a result of their decision to support the peace process in Spain.

We wish to express our solidarity to the union and in particular to their Secretary for Women Affairs, as well as our hope that a peace settlement can soon be reached in Spain.

EuroFIA gathers trade unions of performers in 23 EU countries, in the European Economic Area and in Switzerland and represents hundreds of thousands of professional performers working in film, television, theatre, dance, music, variety and other major fields of the cultural sector.
